Hráči se rozdělí do týmů. Jeden hráč popisuje slova na kartách bez užití zakázaných slov. Ostatní hráči hádají, co je na kartě. Pokud se použije zakázané slovo, karta se vyřadí. Cílem je uhodnout co nejvíce slov.

Players split into teams. One player describes words on cards without using taboo words. Others guess what's on the card. If a taboo word is used, the card is skipped. The goal is to guess as many words as possible.
